### FIRST AID MEASURES

If splashed in eyes rinse promptly with plenty of water while lifting eyelids, rinse for at least 15 minutes.

If swallowed rinse mouth thoroughly. May cause nausea, diarrhoea or irritation of mouth, throat and stomach. Seek medical attention if symptoms persist.

Prolonged contact with concentrated product may cause mild irritation in susceptible individuals. Wash skin with soap and water.

### FIRE FIGHTING MEASURES

This product is **not** flammable or combustible. Use extinguishing media for surrounding materials.

Fire creates toxic gases from packaging/fumes of Carbon Monoxide CO and Carbon Dioxide CO<sub>2</sub>.

### EXPOSURE CONTROLS

Use PVC or rubber **gloves** if skin exposed to contact with concentrate solution over long periods. If risk of splashing concentrated solution into eyes wear safety goggles.

### HANDLING AND STORAGE

Store in tightly closed original container in a cool dry well-ventilated place.

### SPILLAGE CONTROL

Stop leak if possible without risk. Absorb in vermiculite, dry sand or earth and place in containers. Flush with plenty of water to clean spillage area.

### DISPOSAL

Recover and reclaim or recycle, if practical. Dispose of waste and residues in accordance with local authority requirements.

ETICS Pure Gold is certified non-toxic and eco-safe. No specific PPE is required although gloves are recommended.
